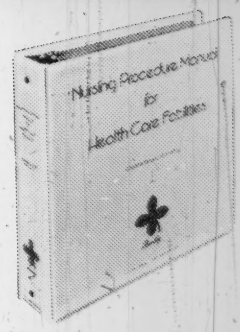
POSEY
QUALITY
PRODUCTS



A complete manual of all nursing procedures relevant to every health care facility. Over five years of research in the latest procedures have resulted in this sturdy 10½ x 11½ book. More than 300 pages on how to best treat your patients, are bound in an attractive three ring binder.

Save yourself and your staff hundred of hours. Separate pages allow you to modify any page to your health care facility procedure or add any procedures you think are important.

No health care facility can afford not to have a copy of this important manual on their premises.

No. 8300 (Special Introductory Price Limited Time Only) . . . . . $27.00 ea.
